~~RRP: $1,100.00~~

Our Price: $849.00

Let your stage lights and movers come to life
hazer.
HZ-350 by Antari creates your stage haze at
2,000 cu.ft / min. With its 2.5 litre tank, and flu
consumption of 21 hrs per litre...you can do th
HZ-350 will keep it up for quite some time.
Yes- there's DMX on board. There is also a ha
control panel, with LCD screen. Use this to se
and DMX address directly and accurately. For
more control, the wireless on/off remote contr
you to make it happen by remote, just in case
running DMX for the show.
For best results, use Antari HZL-5 Haze Liqui
*If you like the idea of haze, but also need a f
effect - check out the best of both worlds, with
Fazer.
